

Blessings To You In The Name of Our Lord!

We are Christian women who are blessed with wonderful husbands, children and grandchildren. We were fortunate to be born and raised in Christian homes with loving parents in the beautiful area of Lebanon, Pennsylvania. We've had the pleasure of being best friends and sisters in the Lord for over 30 years, and this year we are celebrating 20 years of partnership in our specialty advertising business.

A few years ago, we knew it was time to expand our business. Wanting to venture out into a completely different direction and with much prayer, the design of our teddy bear, Little Blessing, was birthed in our hearts. It's been a long journey, but we are very thankful and give praise to our Heavenly Father for all that He has done for us throughout the years.

Precious Praise Bears

"Little Blessing"

*Sweet, Gentle,
Bright,
Cheerful,
Irresistibly
Huggable!*

Little Blessing sits 9" high in your choice of two colors: Baby Blue or Soft Pink. The paws are in a praise position. When you press the embroidered red heart you will hear children singing the song, "Jesus Loves the Little Children," ending with the loving message, "I Love You Jesus, Thank You for Loving Me!"

On the chest there is a cloud shaped embroidered patch with a rainbow design with the scripture verse Mark 10:16.

Little Blessing's name is embroidered on the bottom of their paws. 2-AA batteries included in the battery pack located in the back of the bear.

Little Blessing is a great gift for all ages and occasions. For example: births, baby showers, birthdays, baptisms, dedications, holidays or just an "I Love You" gift. Little Blessing would be a great addition for any bear collector.
